Governor Cooper - I'm highly disappointed in your decision to approve the Atlantic Coast Pipeline. You spent time on the news boycotting offshore drilling to protect our beaches, but now you want to put our streams and land at risk. This state is moving towards renewables, so building this pipeline is a waste of time and money. You were put into office to serve the people who North Carolina, not the interests of Duke Energy. I voted for you, but you have officially lost my support. <https://www.nrdc.org/experts/amy-mall/north-carolinas-bad-decision-atlantic-coast-pipeline>
